BID ADDENDUM #1

2015 DODGE 3500 AMBULANCE BID REQUESTS

This memo comprises Bid Addendum #2 for the above-referenced requests for bid issued by the Mono County Department of Public Works.

1. This is to acknowledge and verify the existing 2008 Ford Cab and chassis for trade-in has a mileage of 125,610 and a VIN of 1FDWF37R58EB43972.
2. Existing radio (Kenwood model TK790H) with charger (Kenwood KVC18 model TK2180) pictures are included:

3. Existing graphics pictures are included:

4. Regarding electrical box heater hard wire into shore power. This factory-installed block heater is hard wired to the shore plug and the connection inside the box is pre-existing.
5. Regarding back-up camera screen. Mono County has no preference for either a Federal signal screen mounted on the dash or a screen as part of the Dodge package.
6. Regarding grill mounted lights. Lights must be LED and 3" wide x 7" long to match existing.
7. Regarding cab door release. Cab door release should be mounted behind front grill.
8. Regarding siren speakers. There should be two speakers (100 watt) with no particular brand specified.
9. Regarding front console and switch panel for all lights and radios. Yes this will be mounted in between the front seats and black in color.

This information is hereby incorporated into the Vehicle Bid Form.

Jeff Walters
Public Works Director/Director Road Operations and Fleet Services
